YOUR MOTION. OUR SOLUTION.

YOUR MOTION. OUR SOLUTION.

STABILUS

THE GLOBAL MOTION CONTROL SOLUTION PROVIDER TO THE INDUSTRY

- Specialized industrial brands with unique solutions and expertise for each market.
- Wide product range - from simple to complex requirements across all industries.
- Broad global presence that closely connects us with all markets.

Stabilus group of industrial brands

STABILUS

Globally leading series gas spring manufacturer meeting highest automotive quality standards for industrial products in all plants.

FABREEKA
A STABILUS COMPANY

Leading supplier for individual vibration isolation and shock control solutions.

ACE
A STABILUS COMPANY

Expert in industrial damping and deceleration with excellent customer support satisfying most demanding application requirements.

HAHN
GASFEDERN
A STABILUS COMPANY

Experienced provider of customized and special gas springs with very fast time to market.

General Aerospace
A STABILUS COMPANY

Innovative supplier of distinctive airline motion control solutions.

TECH PRODUCTS
A STABILUS COMPANY

Experienced manufacturer of elastomeric vibration isolators and shock mounts.

AUTOMOTIVE

COMMERCIAL VEHICLES

**AEROSPACE, MARINE
& RAIL**

YOUR VERSATILE MARKET INSIDER

Regional market segment specialists

- We are your sparring partner!

Market segment focus

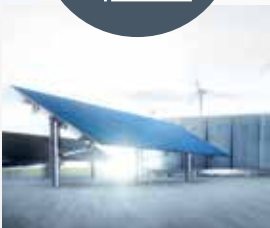

- Take advantage from our tailored solutions!

Global know how exchange

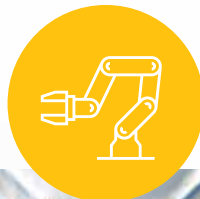

- Benefit from the experience of our globally networked team!

**ENERGY &
CONSTRUCTION**

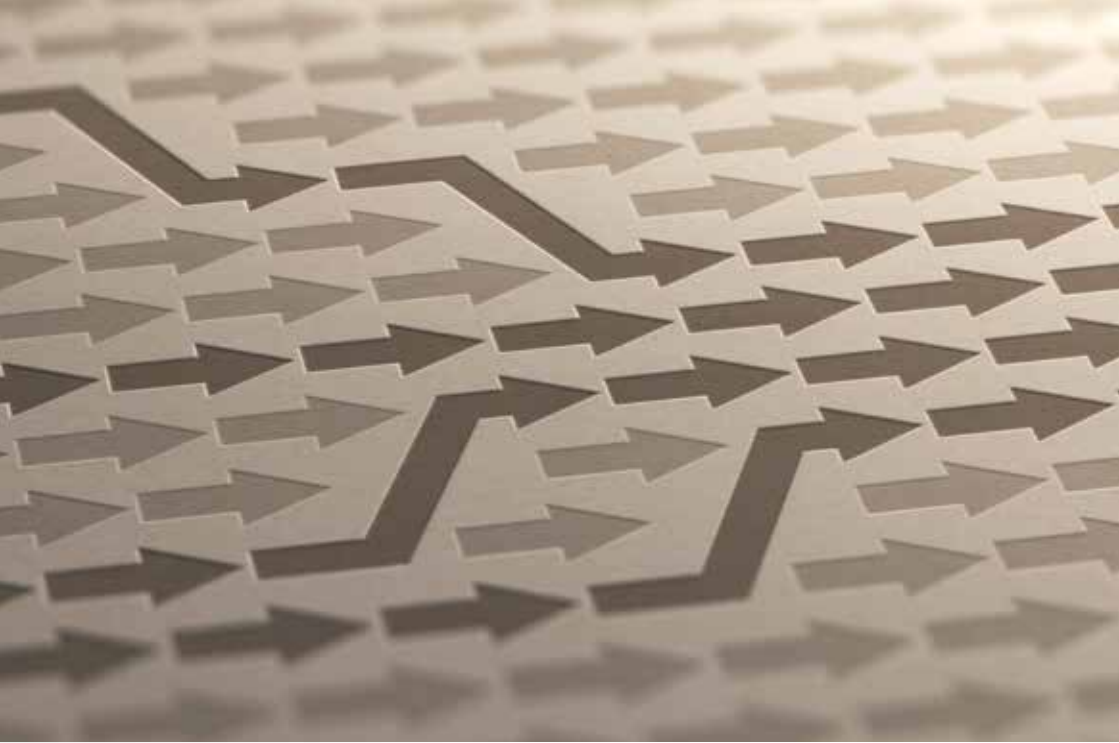

**INDUSTRIAL MACHINERY &
AUTOMATION**

**HEALTH, RECREATION
& FURNITURE**

ALL SOLUTIONS FROM ONE POWERFUL GROUP OF BRANDS

- Expert solutions for a huge variety of all your applications.
- Availability from small to large volumes
- From vibration isolation to electrified actuation.
- High-quality products and sophisticated services for innovative solutions.
- All you need from one single contact person.

YOUR DEVELOPMENT PARTNER FOR INNOVATIVE SOLUTIONS

- Innovation is part of our DNA.
- Out-of-the-box thinking and open minded for smart solutions.
- Premium engineering and testing service.

STABILUS

THE WORLD'S LEADING MANUFACTURER OF MOTION CONTROL SOLUTIONS

- Worldwide large-scale production of gas springs and electromechanical actuators.
- Your experienced partner with wide-ranging industry experience. From solutions for automotive and agricultural technology, to solar applications, the furniture industry and medical technology.
- Strong global presence with application engineering and sales offices worldwide.

"As your global first-choice partner in advanced motion control solutions, STABILUS develops the leading technology solutions worldwide through the uniquely broad product portfolio of its segment experts."

“HAHN is the world’s leading full-range supplier of gas springs, tension gas springs and dampers with production in Germany. HAHN is the first-choice partner for the rapid development of standard products up to technically complex solutions.”

CUSTOMIZED AND SPECIAL PRODUCTS WITH VERY FAST TIME TO MARKET

- Full-range gas spring product portfolio – from standard springs to special designs.
- Product configurator and modular system enable very fast customized solutions.
- Flexible production capabilities from lot size 1.

A STABILUS COMPANY

EXPERT IN DAMPING AND DECELERATION

- Market leader in quality and service for industrial shock absorbers, hydraulic dampers and safety shock absorbers.
- Premium engineering support with product or application simulation competence.
- Digital pioneer offering online education, online sizing, configuration and web shop with immediate shipments of customized standards.

“ACE is the leading quality supplier of industrial damping technology and the expert for the rapid development of your solution.”

"FABREEKA is the leading expert for individual solutions for vibration isolation."

EXPERTS TO ISOLATE VIBRATIONS

- World's leading provider of individual turnkey solutions in the field of active and passive vibration isolation.
- Thermal analysis and thermal bridging solutions for constructions.
- Low frequency solutions for precision equipment and testing.

ELASTOMERIC VIBRATION ISOLATOR AND SHOCK MOUNT SPECIALIST

- Leading supplier of vibration control products for a variety of industries including power generation, on-and off-highway vehicles, industrial equipment and HVAC.
- Engineering analysis of isolation systems, vibration testing service, in-house part analysis and lab testing for elastomeric compounds.
- Vibration isolation online sizing tool and web shop.

"TECH PRODUCTS manufactures an extensive line of shock and vibration isolation solutions."

"GENERAL AEROSPACE is the world's leading expert in motion control components and your first-choice for the innovative development of unique high-quality solutions for the aerospace industry."

AEROSPACE CERTIFIED ENGINEERING, TESTING & PRODUCTION

- Global supplier of sophisticated, advanced products, that adjust aircraft components.
- Trusted development partner and reliable program manager for world-famous manufacturers around the globe.
- Experienced in aerospace testing and product qualification for the aerospace industry.
